PASRR Referral for Level II Evaluations via ForwardHealth

NAME OF INDIVIDUAL BEING SCREENED:	
FACILITY FOLLOW UP PERSON EMAIL:	
FACILITY FOLLOW UP PERSON PHONE:	
EMAIL TO SEND COMPLETED LEVEL II TO:	
IS RESIDENT EXPECTED TO BE SHORT-TERM OR LONG-TERM?	

Reminders :

- If the resident will be admitting under a short term exemption, but stays over their exemption period be sure to update the level I to reflect that they will be staying longer.
- Level I screens can be altered until the Level II is completed. If you need to make a change while the Level II is being processed, update the original Level I. DO NOT add a New PASRR.
- When uploading supporting Level I screening documentation, please combine records into a single file, if possible.
- If changing information or uploading additional documentation to an existing Level I, be sure to click through each panel and click "Submit" at the end.
- If a resident discharged to a less restrictive setting and is later readmitted, please enter a NEW Level I in the portal.
